

Request to all Onojo residents

We ask all Onojo residents for cooperation to prevent the spread of novel coronavirus infection.

How to consult with a doctor and have a medical examination when you have a fever etc.

Call and consult with a medical institution (family doctor etc.)

Can you have an examination and get tested for novel coronavirus at the medical institution you have consulted with?

Visit the medical institution you have consulted with

Important reminders when visiting a medical institution

- Please be sure to make a reservation before visiting them.
- Please avoid using public transportation as much as you can when visiting a medical institution.
- Please wear a mask and bring an insurance card to a medical institution.
